ARTIST, WRITER & SPEAKER

Coaching for Individual Success and Significance

CHARMAINE M. JENNINGS, Ed.S.

SERVICES:

You want to connect with a writer, poet/storyteller, speaker, or host/MC to perform at your next event or show. You want an interactive, authentic voice that speaks about personal life experiences to diverse audiences by challenging them to connect, feel, see and personify the characters within the poems, stories and original works of art. There is always a life lesson and compelling question to help the thinker believe and the believer think. Let's Create Together!

Arts Integrated...

- performance for your event
- Speaker and/or presenter
- face-to-face and/or virtual sessions
- organizational or individual multimedia projects
- products for purchase in order to support the artist
